

Input form for Local Authority to complete

Local authority	East Riding of Yorkshire	Date of last update	
Local authority's special provision fund allocation	£500,000	Total planned expenditure on projects: special provision fund	£500,000
Other investment the local authority plans to make in SEND capital up until 2021		Total planned expenditure on projects: other funding up until 2021	£0

The local authority is **required** to consult parents and carers to receive their allocation. Local authorities should use the box to the right to confirm that they have consulted with parents and carers about their plan and projects and complete the 'Consultation form' below.

Confirm either that the LA has or will be consulting parents and carers

Project information form

Provision					Investment in additional places (£)		Number of additional places			Investment in facilities (£)		Total (£)	Additional Information about each project	
Provision URN	Provision name and address	Provision category	Ofsted Judgement	Age range for project	Special provision fund investment in additional places	Other investment in additional places	Special provision fund additional planned places	Other investment additional planned places	Total additional planned places	Special provision fund investment in facilities	Other investment in facilities	Total investment in project	Type of SEN or disability that project is designed to meet.	LAs should use this section of the table to set out more details about the aims of the project. Beyond this further information can be listed in their strategic plan or directly on their local offer page.
118145	St. Anne's Community Special School	Special provision	Outstanding	Primary, secondary and post-16			4		4	£250,000		£250,000	Children and young people with complex needs and disabilities	Indicative costs only. Development of a specialist provision on site, possibly to be registered as a Children's Home. The aim of the provision is to provide intensive, therapeutic support to children, young people and their families with a view to preventing external placements out of county when families hit crisis point. Children will be resident in the provision, attending the Special School, and receiving specialist therapeutic input in the provision along with their families.
117842	Brough Primary School	Special unit or resourced provision	Requires Improvement	Primary			4		4	£55,000		£55,000	Children and young people with social, emotional and mental health issues	To build on the current nurture provision already being provided by the school. The additional resource will enable refurbishment of current rooms to include sensory and calm rooms, as well as creating break-out spaces. This will allow the school to expand their provision to become an enhanced resource that the local authority can commission places for children with an EHCP who are not coping in their current mainstream provision.
117853	Hornsea Community Primary School	Special unit or resourced provision	Good	Primary			3		3	£70,000		£70,000	Children and young people with social, emotional and mental health issues	To allow for refurbishment of a previous PRU building on the school site. This refurbishment will enable the school to build on their current nurture provision, enabling an increased number of children to be supported in the enhanced resource. The provision will be allow the local authority to commission places for children with an EHCP who are not coping in their current mainstream provision.
118111	Bridlington School	Special unit or resourced provision	Good	Secondary			6		6	£25,000		£25,000	Children and young people with social, emotional and mental health issues	The school already have a well developed enhanced resource provision for young people with SEMH at KS3. The aim is to refurbish the current building to enable the resource to expand from 8 places to 14 places at KS3.
		Special unit or resourced provision		Primary					0	£100,000		£100,000	Children and young people with social, emotional and mental health issues, or with autism	Indicative costs only. Initial discussions already taking place with a number of primary schools with a view to developing enhanced provision on sites to ensure this type of provision is available for cyp with SEND, in particular autism and SEMH, across all areas of the East Riding.

Consultation for all projects: list the groups that the local authority has consulted with and the date of the conversation. Local authorities are required to consult with parents and carers and should consult with other groups about how they plan to use their funding and set out information in the box below before they will

Group	Date and method of discussion i.e. meeting or online consultation	Topic(s) of discussion	Outcome including any changes as a result of the consultation
Parent/Carer Forum and wider Parents/Carers	June - July 2017 Online surveys and workshop discussions	Involvement and consultation as part of the Strategic High Needs Review. Discussions included needs of c&yp in the East Riding, gaps in provision, development of current provision and what else is needed.	High Needs Strategic Review was completed in September and a report submitted to the local authority outlining findings and recommendations.
Parent/Carer Forum, local authority officers, CCG, FE provision, Special Schools, Primary and Secondary Schools, Specialist Provision, Early Years	9 November 2017 Feedback and action planning workshop	Findings from Strategic High Needs Review. Included the recommendation for increasing and expanding our use of enhanced resource provision in the East Riding.	Agreement with the recommendations and a reference group set up from key stakeholders present at the feedback meeting to meet six monthly to monitor and review progress against the recommendations. The actions and recommendations will be taken forward by the relevant 0-25 SEND Strategic Sub Group.
St. Anne's Community Special School and local authority	December 2017 Meeting	Discussion regarding the possible development of a specialist children's home provision on school site.	Agreed to take this proposal to St. Anne's School Governors for approval to progress.
St. Anne's Community Special School and local authority, CCG, Governors	11 January 2018 Meeting	Further discussion to develop specialist children's home provision on school site .	Agreed to progress with possible building design and associated costings.
0-25 SEND Strategic Group, including parents/carers	18/01/2018 Meeting	Discussion regarding how to take forward the recommendations from the Strategic High Needs Review, including the development of enhanced resource provision, and the development of a possible specialist provision on St. Anne's Special School site.	Agreed this was an appropriate way forward to address the current needs in the East Riding. Primary Heads meeting to be arranged to discuss the development of enhanced provision. Stakeholder meeting to be set up to take forward the development of specialist provision on St. Anne's School site.
Primary School Heads and Local Authority	22nd January 2018 and 27 February 2018 Meeting	Meeting to discuss the development of primary enhanced provision across the local authority	Agreed to continue to progress the development of enhanced provision in the two primary schools who have current capacity within school buildings, with refurbishment required. This would be for pupils with an EHCP who would be placed by the LA. Ongoing discussions and agreement to develop possible proposal for 'short-term' places in enhanced provisions, with school's buying places on a short-term, nurture model basis. This model to continue to be explored.
East Yorkshire Parent/Carer Forum Chair and Co-Chair	23 February 2018 Meeting	To discuss the plans to develop further enhanced provision in the East Riding - as outlined in the Strategic High Needs Review.	Discussion regarding the development of enhanced resource provision in at least 2 East Riding primary schools, for pupils with an EHCP and who have SEMH or autism. Discussion regarding the possibility of schools utilising the expertise of enhanced resources for pupils without an EHCP and who have other needs outside of SEMH or autism. Agreed these discussion should continue and can be part of the primary school model currently being developed.
Brough Primary School	December 2017 Meeting	To discuss the development of enhanced provision within the school.	Costings for refurbishment to be forwarded to LA, following which a further meeting will be held to progress the development of enhanced resource provision and refurb of the current building to ensure fit for purpose.
Hornsea Primary School	9th March 2018	To discuss the development of enhanced provision within the school.	Discussions regarding enhanced provision to be progressed with the Children's Commissioning and Quality Monitoring Team, alongside School Buildings Team with a view to developing Enhanced Provision as soon as refurbishment is completed.
