East Riding of Yorkshire and Kingston upon Hull Joint Minerals Local Plan Submission

Submission Statement

On **Monday 23 July 2018**, East Riding of Yorkshire and Hull City Councils submitted the Joint Minerals Local Plan to the Secretary of State for an Examination in Public, under Regulation 22 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

The Plan sets out the vision, objectives, spatial approach, planning policies and allocations for mineral development within the Plan Area. It addresses minerals specific issues, such as aggregates provision and oil and gas development. It aims to reconcile the objectives of safeguarding the environment and the amenity of local communities while meeting the need for minerals. Once adopted, it will help guide investment decisions to 2033 and will be used to determine planning applications within the East Riding of Yorkshire and Hull.

Evidence gathering and preparation of the Joint Minerals Local Plan began in 2008. The Councils have consulted the public five times, most recently in April/May 2018. Comments to the first four rounds of consultation have been used to formulate the Plan. The Proposed Submission Documents which were consulted on in April/May 2018, have been submitted with the responses received. The Inspector will now consider those responses alongside the Plan.

The submitted version of the Plan, including supporting documentation and representations received through the Proposed Submission period are available to view online at:

Next Steps

Once appointed by The Secretary of State, the Planning Inspector will carry out an independent examination of the Joint Minerals Local Plan which may include hearing sessions that are open to the public to attend. Once confirmed, all details relating to the examination process, including the hearing sessions, will be advertised, made available online and sent to all those who submitted a Proposed Submission representation. If you did not submit a representation at the Proposed Submission stage but would like to be kept informed, please contact the Programme Officer, using the contact details below.

All communication to, and from, the Planning Inspector during the Examination will be managed by an appointed Programme Officer, Malcolm Wells, who can be contacted by post at:

- Malcolm Wells, Programme Officer, Room GF37, County Hall, Beverley, HU17 9BA

An email and phone number will be confirmed in due course.
