

**START**

# WHAT CAN YOU RECYCLE?

I put old clothes in my bins at home  
**MOVE BACK 3 SPACES**

Take them to the clothing banks please

The only plastics I put in my blue bin are pots, bottles, tubs and trays  
**MOVE FORWARD 2 SPACES**

My food waste gets put in with all the other rubbish  
**MOVE BACK 2 SPACES**  
Use your kitchen caddy and brown bin for food waste

I wash my pots and bottles clean before putting in to the blue bin  
**MOVE FORWARD 1 SPACE**

I don't use bags in my blue bin  
**MOVE FORWARD 3 SPACES**  
Clean, dry and loose

I don't put batteries in my bins. I take them to the HWRS/tip  
**MOVE FORWARD 3 SPACES**

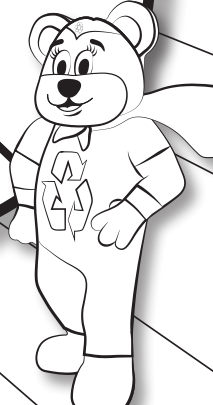

I don't drop rubbish on the street  
**MOVE FORWARD 2 SPACES**

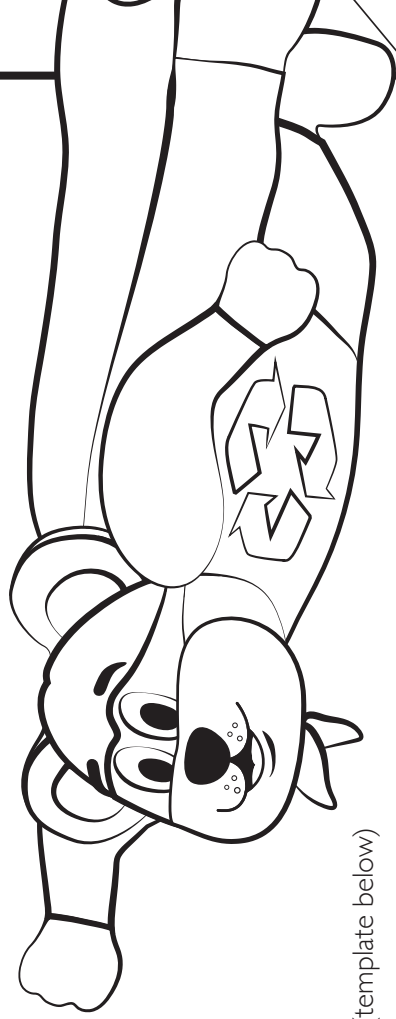

I put wood in my brown bin  
**MOVE BACK 2 SPACES**  
Please put in the green bin or take to the HWRS/tip

I put crisp packets in my blue bin  
**MOVE BACK 1 SPACE**  
Please put them in the green bin

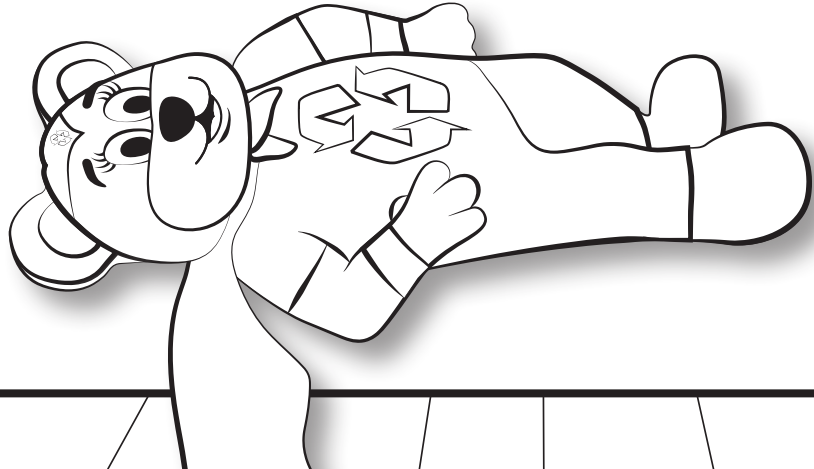

I don't have time to sort my own rubbish  
**MOVE BACK 2 SPACES**

# TO PLAY, YOU WILL NEED:

- ★ A dice or a homemade spinner (template below)
- ★ One counter per person - or use different colour bottle tops or use small stones from the garden instead

# INSTRUCTIONS:

The aim of the game is to save the planet by being the first superhero to reach the finish line.

Any number of recycling superheroes can play but four players is a good number

- ★ Choose your colour counter/bottle top/stone and place it on the **START**
  - ★ Youngest superhero goes first then play passes to the left
  - ★ Roll the dice/spin the spinner and move that many squares on the board
  - ★ Make sure you read and follow the instructions on any POW squares you might land on. You **must** move forward or backwards as instructed
  - ★ First superhero to reach the finish line/earth is the winner!
- (You can make the game longer by making a rule that the winner has to roll/spin the exact number to move on to the FINISH line)

# MAKE YOUR OWN SPINNER/DICE INSTRUCTIONS:

- ★ Copy or stick this template on to the inside of an old cereal packet
- ★ Cut it out
- ★ Push a pencil through the centre point
